- Travelling

PERSONAL PROFILE

I'm a second-year IT student at Vidyalankar Polytechnic, fueled by a burning passion for coding and a relentless drive to become a software engineer. I'm on the hunt for exciting opportunities to connect with industry professionals, collaborate on mind-blowing projects, and make a name for myself in tech. I'm on a quest to develop new skills to align with the goals of the organization I'll be working with.

PROJECTS

- Library Management System using C
- Society Management System using C++
